Account Login and Password Reset

Kentucky State Beekeepers Association
Open Chrome browser to https://kybees.org
It may look different in other browsers or a smart phone
Click LOGIN in the main or Administrative menus
Type your email address and password
Click the Remember me checkbox so you will be automatically logged in next time.
Click the LOGIN button
Double check your email address and password and try again
If your password does not fill in automatically and you can’t remember it, click Forgot your password?
Type in your email address and click SEND ME A RESET PASSWORD LINK button
Check your email for a message - you might have to wait for a few minutes while it is being delivered
Be sure to close ALL open browser windows to avoid any confusion during the next steps.
Open the message and click the link to reset your password
It may look different in your email software but the link will be there
Delete the email message after you have reset your password
Go back to your browser window, type a new password and confirm it is correct by typing it again.
Click the SET NEW PASSWORD button
Type in your email address and new password. Click the Remember me checkbox so you will be logged in next time you visit kybees.org
Click the LOGIN button
The Kentucky State Beekeepers Association (KSBA) is a volunteer-led, non-profit organization dedicated to apiculture in Kentucky and border states. We represent backyard, hobby, and commercial beekeepers. We welcome anyone interested in beekeeping regardless of knowledge and experience. Please renew your membership.

KSBA mission is to make Kentucky beekeeping successful through support programs and resources.

Our objectives:
